## Clay County Transportation

Is a consolidated public transportation system funded by federal, state and local governments as well as fare revenue collected by the system.

The fare for the General Public is 10% of the cost of the trip. Fares are based on destination. We are not a taxi-cab service, all trips are booked in advance on a first-come, first-served basis. We ask for two days notice to book your trip. We operate from 7am-5pm Monday-Friday.

CCT provides local trips and long distance medical trips to Asheville, Atlanta and Chattanooga. We ask that you schedule your appointment time between 10am-2pm for long-distance medical trips.

CCT has a Number of vans that are equipped with wheelchair lifts. An attendant or relative is welcome to ride with you if you need assistance.

**Service animals are also welcome.**

### Rider Information:

- Seatbelts must be worn at all times
- No smoking, eating or drinking is allowed on the vans.
- We are a transportation service only. We cannot provide personal assistance such as dressing or lifting passengers out of bed or wheelchairs.
- A 15 minute service window is allowed for passenger trips. This means the van may pick you up 15 minutes earlier or later than your scheduled pick up time.
